### KENYON ON SHELF

MAY GIVE TROUBLE

WITH THIRD PARTY

(Continued from page one)  
to that insurgency of 1912 which had its origin in the fight of another Republican Senator from Iowa, Jonathan Dolliver and which culminated in the three-party struggle of 1912 whereby the Democrats came into power.

The talk of a third party movement has grown perceptibly since the appointment of Kenyon to the bench for instead of a solid bloc of Republican Senators with whom a political truce might be made, the fear is expressed that smaller factions much more independent and much less responsive to the pleas of the White House for party solidarity may spring up. Kenyon might have held the bloc together. Now it may disintegrate and provoke guerrilla warfare on legislation. The promotion of the Iowa Senator produces an even greater complication for the party chiefs than they contemplated—the situation today at least is giving much more anxiety than it did before Kenyon decided to leave the Senate.

### HERE AND THERE IN THE ATHLETIC WORLD.

The Wilson High school girls basketball quintet will journey to Raleigh today to play the Big Five there. The local girls have been playing good basketball and expect to come home with a victory by a large score. Here's hoping.

The Rocky Mount high five will play the Wilson high school of Portsmouth at Portsmouth tonight. This is the third game of an extended trip into Virginia the Mount team has been making this week. Rocky Mount will be seen in action on the local court Friday February 17.

The Golden Blue team of the Wilson High School are making a record this season in the cage game, and begin to look like championship contenders of real merit. Old Wilson High will give the fans a sure enough basketball set to, when they meet Fremont tonight at the Watson Warehouse court.

### Basketball Scores.

At Columbus Ga., U. S. Infantry School 43; Uni. Florida 13.  
At Raleigh N. C., Uni. N. C. 30; N. E. State 17  
At Lexington Va., Washington and Lee 40; Uni. Tenn. 11.  
Durham, N. C., Durham High 37; Raleigh High 32.

The management of the Golden Blue quintet are negotiating for a game with the Red Oak high school basketball team for a game here on the Wilson High floor, the date to be Saturday night February 10. This game will give the local lads two big battles next week, one at Fremont Wednesday, and one on the home court.

The Fremont high school basketball team defeated the fast quint from Camp Bragg on their own court last night by the score of 26 to 22 in one of the fastest games of the season. Both fives played hard, and the game was anybody's up until the final whistle. The Fremont boys won the game by their excellent team work.

Carolina defeated the Wofford College basketball team last night at Chapel Hill by the score of 54 to 26. Carolina used all of their substitutes, even the third string men were used. Winton Green a new comer in the University ranks was easily the star of the contest.

State College lost to Elon last night on the latters floor, Elon winning by the score of 20 to States 18. State practically lost the game on fouls, having a total of 23 called on them during the contest. Both teams played fast and hard, the game be-

ing won by Elon in the last few minutes of play.

Basketball is the popular game at the Winstead Elementary school. A league is now formed of the players in the school, with a varsity team picked from this league to represent the school in match games. The Winstead Five would like to hear from the New Hope school, and the Buck Horn school quintets, and the Five Pointers take this means to issue their defy to these two quintets.

The Pioneer Boys Club of Hominy Heights and Five Points met at a regular meeting last night, and organized a basketball team. They would like to hear from other independent fives of Elm City.

### CHARLES BLOUNT MCLEAN SECURES LAW LICENSE.

Mr. Charles Blount McLean of Wilson was among those who successfully passed the examination for the practice of law in North Carolina which examination was held before the Supreme Court in Raleigh Monday. Mr. McLean is the son of Mr. and Mrs. J. R. McLean of Wilson and is an unusually bright young man. His many friends here predict for him a successful career in his chosen profession.

Seventy of the seventy five applicants passed, the percentage of successful applicants being unusually high. The only two women who applied for license passed the examination. They were Miss Lottie Elizabeth Lewis of Raleigh and Miss Flossie Eleanor Marshbanks of Mars Hill.

Among other successful applicants were, Messrs. Samuel Lewis Arrington of Rocky Mount, Fred Marvin Pearce of Zebulon; Cecil Nixon Stroud, Kingston; Benjamin Hilton Thomas, Rocky Mount.

### UNIVERSITY DISCLAIMS

"THE TAR BABY."

To the High School authorities of North Carolina:  
There has come into my hands a copy of a letter written the high schools of the State by "The Tar Baby," incorporated, concerning the publication of The High School Number of the magazine, and referring to certain prizes for the best work done. Inasmuch as the letter sent out bears the line "The University of North Carolina," and therefore it might be thought that the University of North Carolina is in some way concerned I desire to make the following statement, which I ask you to communicate to your school:

1. "The Tar Baby" is not a University of North Carolina publication. It is a private business enterprise. Mr. Abernethy has not even been a student here for some time, and whatever students are associated with the publication are employed as private individuals by the company, not as delegated representatives of the student body. "The Tar Baby" is not in any way supported, controlled, or authorized by either the student body or the faculty, or any group thereof. Some months ago a statement to that effect was made by us through the press, and the columns of the "Alumni Review." The authorized student publications of the University of North Carolina are the "Tar Heel," "Carolina Magazine" and "Yackety Yack."

2. "The Tar Baby" was instructed by me on November fifth in writing to remove from its letter heads the line "University of North Carolina", and legal steps are now being taken to remove from its letter heads the instructions.

3. The propositions made the high schools of the State were made without knowledge or sanction of the University authorities, and the University can in no way assume responsibility for their fulfillment.

4. The character of certain of the material which has appeared from time to time in "The Tar Baby" is such as the University sincerely deplores, and with which it is thoroughly unwilling to have its name, or the name of the student body associated. The University has, as stated above, no connection with and no control over the publication, and hopes that you will give proper publicity in your school to this fact.

Sincerely yours,  
H. W. CHASE,  
President.

### APPRECIATION

Chief of Fire Department, Rocky Mount, North Carolina. My Dear Chief:

Realizing that your organization, like ours, is largely independent, the Board of Commissioners desires to show their appreciation, in a small way for the great service you rendered us on Dec. 24th, at the Hackney fire, and beg that you accept the enclosed check and add it to your independent fund to be used in any way that seems best to you.

The attached resolution was duly adopted by the Board and I am directed to mail copy to you and copy to the Rocky Mount paper for publication. I am mailing both copies to you however and beg to request that you hand it to the paper.

The Board does not in any way consider the enclosed check in the light of payment for the great service you rendered us but just a small token of appreciation. We trust that you will not have occasion to call upon our department, but if your good city should be unfortunate enough to need us please do not deny us the opportunity to show our real appreciation for the service you rendered us.

With best wishes, we are,  
Yours very truly,
